

Nantahala River Trip

Friday August 13th

This activity is for the more adventuresome MHH and a great way to cool off this summer.

We will rent 1 and 2 person inflatable rafts (duckies) from Endless Rivers and paddle down the popular Nantahala River. Guests are welcome to join us.

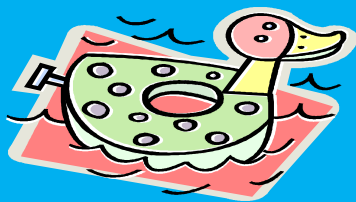

Cost: \$29 for a one person ducky

\$48 for a two person ducky

\$20pp for your own unguided multi-person raft

\$23-25 for a guided raft spot (depending on # of rafters)*

*Richard (20+ yrs. experience) is willing to raft guide those who are interested but feeling less adventuresome. This raft would max out at 7 rafters (first come, first served).

Is this activity for me?

This is a very popular river trip for people of all ages and is excellent beginner whitewater rafting. The raft company will provide instruction and a safety talk. The water is cold and there are rapids. You need to feel comfortable on moving water because even though risks are minimized, there is no guarantee you won't fall out of the raft.

Bring water shoes, water bottle and a change of clothes. The raft company will provide a life jacket and wetsuit/helmet, if desired.

Make your reservation at Endless Rivers and ask for the 11 am MHH trip: 800-224-7238.
