

# Roan Mountain State Park

October 25-29<sup>th</sup>

MHH will be doing a fall hiking trip to Roan Mountain State Park. 10 people are signed up so far. Come join us!

This beautiful area in the Roan Highlands region is located on the NC/TN border and features some of the most breath-taking hikes in the southeast. These hikes will be adapted to the make-up of the hikers attending this event. We aim to please!!

Cabins are available for \$83/ night and feature 1 bedroom and a loft.

There are still 4 fully-equipped cabins available in the newer area with 1 ½ baths where the Sullivans are staying (#22). Camping is available, too.

We will arrive Monday AM and depart Friday after hiking (4 nights). Call 423-772-0190 for reservations. For more information, click onto:
